For Kids Only

"It's a Club within a Club for Children"

# Summer 2011 Program & Class Descriptions

At *For Kids Only*, a "Club within the Club," children are well cared for in our fun and stimulating environment – exercising their minds and bodies. Far more than childcare, *For Kids Only* offers a wide variety of enrichment programs ranging from sports and art to music and drama. *For Kids Only* implements a whole child philosophy that encompasses all aspects of a child's development: social, physical, emotional and intellectual. The programs are developmentally age-appropriate with a focus on fostering self-esteem, creativity and problem solving. We believe how a child feels about himself while learning is as important as the learning itself.

## Dance/Movement

**Creation Station Tap & Ballet:** This creative movement class incorporates tap, ballet, and the joys of dress up and imaginative play.

**Creation Station Princess Ballet:** Calling all princess fans! You are invited to dance the stories of your favorite princesses at the Princess Ballet. Children use music and movement to explore stories such as: Cinderella, Sleeping Beauty, and the Nutcracker; including plot, characters, costumes and props.

## Sports

**Super Soccer Stars:** Dynamic international coaches work with every student to develop skills, self-confidence, and team work in a fun, non-competitive environment. Positive reinforcement and extremely low child/coach ratios ensure each child will improve soccer skills through engaging warm-ups, drills, and games-all while having endless fun!

## Music

**Songs for Seeds:** Songs for Seeds is a (cool rock) music class which has been voted the Best Music Class 2010 by New York Magazine. This class encourages kids to sing, touch instruments (from drums and guitars to violins, flutes and clarinets) and play along with a live, three-piece band, as well as dance and move as much as possible. Kids travel around the world experiencing music and language from a new country every week. The band creates well-known nursery rhymes through art and song and does magic tricks as a way to practice numbers and counting. Kids come home singing songs that you will like as much as them. Requirements: 0 – 5yrs. all classes with parent/caregiver.

## Art and more

**Musical Paintbrushes:** Class begins with art station play: finger painting, murals, stamping, pouring activities, sandboxes, play dough, and more! Then make way for a special musical guest performing original and traditional songs with instruments, scarves and parachute.
