"It's a Club within a Club for Children"

## Summer 2011 Program & Class Descriptions

At *For Kids Only*, a "Club within the Club," children are well cared for in our fun and stimulating environment – exercising their minds and bodies. Far more than childcare, *For Kids Only* offers a wide variety of enrichment programs ranging from sports and art to music and drama. *For Kids Only* implements a whole child philosophy that encompasses all aspects of a child's development: social, physical, emotional and intellectual. The programs are developmentally age-appropriate with a focus on fostering self-esteem, creativity and problem solving. We believe how a child feels about himself while learning is as important as the learning itself.

### Dance/Movement

**Creation Station Tap & Ballet:** This creative movement class incorporates tap, ballet, and the joys of dress up and imaginative play.

**Creation Station Princess Ballet:** Calling all princess fans! You are invited to dance the stories of your favorite princesses at the Princess Ballet.
