For Kids Only

"It's a Club within a Club for Children"

## Summer 2010 Program & Class Descriptions

At *For Kids Only*, a "Club within the Club," children are well cared for in our fun and stimulating environment – exercising their minds and bodies. Far more than childcare, *For Kids Only* offers a wide variety of enrichment programs ranging from sports and art to music and drama. *For Kids Only* implements a whole child philosophy that encompasses all aspects of a child's development: social, physical, emotional and intellectual. The programs are developmentally age-appropriate with a focus on fostering self-esteem, creativity and problem solving. We believe how a child feels about himself while learning is as important as the learning itself.

### Dance/Movement

**Creation Station Tap & Ballet:** (2's) This creative movement class incorporates tap, ballet, and the joys of dress up and imaginative play.

**Creation Station Tots & Tutus:** Join your child to experience dance for the first time in this introductory ballet class. Child and caregiver are exposed to ballet basics while exploring creative dance. Each class ends with a dress up performance for a magical dance experience!

### Sports

**Super Soccer Stars (2-4's):** Dynamic international coaches work with every student to develop skills, self-confidence, and team work in a fun, non-competitive environment. Positive reinforcement and extremely low child/coach ratios ensure each child will improve soccer skills through engaging warm-ups, drills, and games-all while having endless fun!

### Clinics

Clinics held in Central Park from 9:30am – 12:30pm. Children divided in to groups based on age. Add on 1/2 hour lunch and indoor play 12:30 – 2:30pm \$40/day Members/\$50 non-members.

### Music

**Ballet/Tap:** (2's) This creative movement class incorporates tap, ballet, and the joys of dress up and imaginative play.

**Songs for Seeds:** Songs for Seeds is a (cool rock) music class that encourages kids to sing, touch instruments (from drums and guitars to violins, flutes and clarinets) and play along with a live, three-piece band, as well as dance and move as much as possible. Kids travel around the world experiencing music and language from a new country every week. The band creates well-known nursery rhymes through art and song and does magic tricks as a way to practice numbers and counting. Kids come home singing songs that you will like as much as them. Requirements: 0 – 5yrs. all classes with parent/caregiver.

### Art & More

**Mix it Up:** This on-going class provides a variety of play opportunities focused on a particular theme. Each class will have a musical component, an art or cooking component and a play station component (dramatic play, blocks and puzzles, messy art, sports)! It is a preschool smorgasbord!
